

# Partial Implementation

## *Lens on Learning (Part 2)*

### Activity Process:

1. Using information garnered in part one of “Lens on Learning,” have group members participate in an appreciate inquiry activity.
2. Analyze the strategies, perspectives, programs, resources, and measurements to see if any align with current practice in our school. Create a list of what the school community is already doing.
3. Analyze the strategies, perspectives, programs, resources, and measurements one more time looking for new ideas that could be incorporated into the implementation portion of the school planning process.
4. Complete the “Lens on Learning: Appreciate Inquiry Template” (on the portal: Planning Templates/Visual). ) to share with the staff and the Core Team.

**Big Idea:** Successful implementation requires coherence among several plans and priorities

### Guiding Questions:

- How are stakeholders working towards a shared understanding of their roles and responsibilities to support implementation.
