A message from Students in Division 3:

Toby: "When I was living in London, England, my mom told me about 2 minutes of silence; just like when Mr. Albright was talking about how we have a minute of silence in our assembly and wear the poppy proudly to remember the men and women that went to war".

Our Learning
Community

Collin: "When I was in Disneyland everything stopped for a minute or two of silence. The poppy that I war reminds me of our freedom".

Code of Conduct
Norgate ROCKS...

Our students are awesome...check out the message from the community: "I wanted to say to all the teachers and staff at Norgate Elementary that we noticed a HUGE difference in the children's behaviour while trick or treating last night in Norgate! There were many "thank yous" and "Happy Halloween's"! It was very noticeable and a big change from last year, Good Job!! And THANK YOU!!

Our Youth program students had fun in the skating sessions.
