

**School Goal:**  
**Social**  
**Emotional**  
**Learning**

---

*Goal Statement*

---

*The Queen Mary school community fosters social emotional well-being.*

**Social Emotional Learning (SEL)**

“The North Vancouver School District is committed to a continuum of SEL integral to student well-being and development. The continuum includes creating a Sense of Belonging for students, teaching of Social Emotional Skills, Mental Health Literacy, and an Integrated Service Approach to Mental Health.”

**SEL in the  
Classroom**

---

*“SEL in the classroom takes shape in a variety of ways. It is promoted through explicit instruction, and integrated across classroom instruction and academic curriculum.”*

**At Queen Mary we will foster our community’s social emotional well-being by:**

- Fostering healthy relationships, particularly for in-person interactions and play
- Developing pride in, and respect for, personal identities
- Building shared responsibility and effective collaboration
- Building a collective sense of belonging and responsibility
- Providing skills necessary for members of our learning community to take ownership and self-advocate
- Focusing on the promotion and development of social awareness, self-awareness, self-management, responsible decision making, relationship skills
- Explicitly and openly addressing and supporting anxiety

**Sense of Belonging** – an intentional focus on strategies and structures that ensure each and every student feels a sense of belonging and connection with their classmates, teachers, and school

**Social Emotional Learning** – using the CASEL Framework, intentionally teaching students the key social emotional skills to be successful

**Mental Health Literacy** – through the use of Dr. Stan Kutcher’s curriculum, improving mental health literacy for all grade 9 students district-wide and providing teachers a shared language in promoting positive mental health

**Integrated Mental Health Supports** – developing strategic partnerships with inter-ministerial partners to create seamless supports for children and youth with mental health needs
